ABOUT BEYOND BCG

After over 70 years in the hobby greenhouse business, our goals of helping grow and enhance lives beyond building greenhouses, only grew. BC Greenhouse Builders Ltd. laid the ground work for what is now Beyond BC Greenhouse Charitable Foundation. Beyond BCG aims to invest in those in need and help ensure that those in our communities have the basic necessities of life. In addition, we aim to invest in prevention programs, treatment programs, and growth programs. Our ultimate goal is to invest in people from all walks of life, and give them the tools to reach their full potential.

WHO YOU ARE BENEFITTING

MACKIE'S PLACE

YOUTHSOCIALHOUSE

Mackie's Place Youth Social Hub is a free drop-in center and job skills/employment program for youth at risk. The youth they serve are highly vulnerable to trauma, homelessness, violence, abuse, addictions and crime. They seek to help these youth realize their unseen potential by offering a safe and supportive community, connection to positive peers and mentors, access to homemade meals, opportunities for employment skills training and educational support, and guidance in developing healthy relationships. All of these offerings are research-based proactive ways to address risk factors for the youth and are designed to enable them to lead more independent, community-oriented and confident lives.

Mackie's Place is acknowledged by the City of Surrey and other not-for-profits as being a leader in having a transformational approach for at-risk youth.

**“We feed kids,
we employ kids,
we build meaningful
connections into their lives.”**

All proceeds from this event will go directly to Mackie's Place Youth Social House. Additionally, BC Greenhouses will be matching every dollar donated!
